

Did you have a real Christmas tree this holiday season, but don't have a way to dispose of it? Your refuse company won't take it. And the Convenience Center doesn't handle yard waste and such.

Yard Works has been offering free Christmas tree recycling to Powhatan residents for over 10 years in partnership with the Powhatan Anti-Litter Council!

Once you are done removing all your decorations and lights, just take your tree to their Powhatan location at 1990 Anderson Highway between January 3rd and 31st, Monday through Friday, 7:30 a.m. to 5:00 p.m.

Yard Works only accepts undecorated REAL trees.

(No ARTIFICIAL trees please)
