

**RECYCLABLE MATERIALS PROCESSED
CALENDAR YEAR 2016
CENTRAL VIRGINIA WASTE MANAGEMENT AUTHORITY
(CVWMA) SERVICE AREA**

The enclosed forms for your use in reporting recyclable material processed by your company during the period January 1, 2016 through December 31, 2016, from all sources within the CVWMA Service Area. The CVWMA Service Area includes the following localities:

- City of Colonial Heights
- City of Hopewell
- City of Petersburg
- City of Richmond
- County of Charles City
- County of Chesterfield
- County of Goochland
- County of Hanover
- County of Henrico
- County of New Kent
- County of Powhatan
- County of Prince George
- Town of Ashland

Please note that separate reporting for various paper types is not necessary. Paper includes old corrugated containers (OCC), all grades of newsprint, office paper, and mixed paper.

If your company is a CVWMA contractor, please indicate if the information you are reporting includes materials handled under a contract with the CVWMA (materials from other than CVWMA contract sites should be included in your report also). The objective is to simplify the reporting process as much as possible. If excluding CVWMA material is easier, please feel free to provide information in that form.

All information provided will be used to develop cumulative data. No specific information regarding your company's activities will be released.
