

Henrico Extension Office, Keep Henrico Beautiful,  
and the Central Virginia Waste Management Authority  
are pleased to offer

# "Don't Make Your Leaves Leave Home" Composting Workshop

Sat, Oct 12 9 a.m.-Noon  
Human Services Building  
8600 Dixon Powers Drive

Fall leaf season will soon be here and many homeowners may find that they have more leaves than they know what to do with. Henrico County will be offering a workshop to demonstrate how leaves are actually a valuable resource that really does grow on trees.

Composting takes advantage of nature's process of decomposition to recycle the nutrients contained in leaves and other organic "waste" materials into a rich soil conditioner. This process also reduces the waste stream and improves soil health.

The program is free but registration is required. Registration deadline: Oct. 9. For registration information, please call the Henrico Extension Office, 501-5160.
